Games People Play

TO TELL THE TRUTH OR NOT!!!!

On an index card have each person write down two things that are true about themselves (Tell them to be creative.....something not too obvious) and then two things that are not true about them. Make sure they put their name on the top of the card so you know who they are. They don't have to say which is true or not true. If most of the people on the tour don't know each other, hand out a list of the tour members. If you want to make it harder do not hand out a list of the tour members. Read the cards allowed and have the tour members guess who it is. This is a great icebreaker if people are unfamiliar with each other. Again, stress the creative aspect!!!
